Old Business:

Drew updated on the ballfield:
Extra dirt on the softball field has been grated.
Dugouts are not done yet. Hope to have done very soon.
He met with fencing people for a quote. Installation of the fence has been pushed back due to weather
Concrete is "in the works" for the shot put and discus area.
Reimburse the school the balance owed once the final bill has been received
Military Night was a huge success.
Booster Night-between both games was around 100 students

New Business:

Boosters talked about what our next project may be: play clocks in the in zones, batting cage, electronic scoring for track
The football team will be going on a three (3) day weekend trip to Hillsdale and the boosters was asked to help fund the trip. Or a shed is being built to help store football maintenance equipment. Maybe boosters would help with the costs. The engineering class is helping with the design. Boosters decided to table the decision until the March 7th meeting.

Next meeting March 7th at 7:00

Meeting adjourned Drew 1st/Joe 2nd
