

Go on

the archer 2022

The 2021-2022 yearbook theme is **Go On**. The Archer staff chose this theme as a representation of trying to return to a state of normalcy in a time of uncertainty. However, our school and community continues to persevere. We continue to move forward, be innovative, and be involved in both personal and large ways throughout the year.

The 2021-2022 yearbook will again feature all grades in one book. Although there will be an emphasis on older students due to sports and organizations exclusively for older students, elementary coverage will be integrated throughout the entire book. Academics, sports, organizations, and student life will feature students from elementary through high school.

The Archer is an award-winning yearbook. The Archer has been named as an All-Ohio yearbook by the Ohio Scholastic Media Association four of the last five years. The Archer has received a First Class critique from the National Scholastic Press Association every year since 2016 and a Gold Medalist Critique from the Columbia Scholastic Press Association every year since 2018. Staff members of The Archer are also regularly recognized on the national level by Quill & Scroll and the Journalism Education Association.

The Archer yearbook is produced entirely by the student yearbook staff. The yearbook staff takes the photos, determines the content, creates the layouts, develops the theme, edits all of the pages, and manages the financial responsibilities of producing the yearbook. The Archer staff does not use a yearbook company, and therefore is responsible for every aspect of the yearbook.
