

Senior Parents,

You may not believe it, but it's already time to start working on your senior's yearbook and senior video! We want to make sure all of the seniors are included in both...but we need your help to ensure that happens. **Please write down the information, dates, and deadlines listed on the back of this sheet.**

We regularly announce these deadlines and requirements on the morning announcements as well. If seniors miss a deadline or event, we will NOT continue to remind them; it is their responsibility to remember. It takes a *lot* of work to create a yearbook and senior video, so please help us in this small way!

Seniors attending Vantage: Yearbook and/or broadcast students will send updates, changes, or reminders to your Vantage e-mail accounts, so please check them frequently.
