Senior Parents,

You may not believe it, but it's time to start working on the Class of 2027's yearbook, senior video, and Senior Spotlights for social media! We want to make sure all of the seniors are included...but we need your help to ensure that happens. ***Please keep this paper or write down the information, dates, and deadlines listed on the back of this sheet. As you can see, December 1st is a BIG deadline!***

We regularly announce these deadlines and requirements on the morning announcements and post them on the school app, Instagram, and Facebook. We also send reminders to Vantage students through their Vantage email accounts. If seniors miss a deadline or event, we will NOT continue to remind them; it is their responsibility to remember. It takes a *lot* of work to create a yearbook and senior video, so please help us in this small way.

Event or Item	Due Date	Additional Information
School picture day	September 3	Even if you are not ordering school pictures, you still need to get your photo taken on picture day. Your Gibby's photo will be used as your portrait in the yearbook.
Toddler picture for senior video (created by broadcast students)	December 1	Email your photo to Mrs. Bagley or give a hard copy to her or a broadcast student; it will be returned to you as soon as it is scanned. Horizontal photos that are 4x6 or bigger will look better in the video. Please do not take a picture of a picture, as the quality will be very low.
Vertical senior picture for Senior Spotlight on social media	December 1	Email the picture to Mrs. Bagley. The picture, along with the senior's future plans, will be used to create a Senior Spotlight that will be posted on the school's Instagram and Facebook sometime during the second semester.
Horizontal senior picture for senior video (created by broadcast students)	December 1	A horizontal/landscape photo will look best in the senior video. Digital files from the photographer are preferred. Email your photo to Mrs. Bagley or give a 4x6 or larger hard copy to her or a broadcast student; it will be returned to you as soon as it is scanned. If you do not submit a senior picture for the video, broadcast students will use your Gibby's school photo. ***If you don't submit a senior picture and do not have a Gibby's photo, only your name will be listed in the senior video.***
Senior yearbook tributes	December 1	Email photos to Mrs. Sorrell as an email attachment. The photos must be at least 300 dpi to be used. Do not send screenshots or photos saved from a webpage. Order forms are enclosed.
Yearbook orders for early price discount	December 18	Order forms are enclosed with this letter. Contact Mrs. Sorrell with questions. Save $5 if you order during the first semester.
Final yearbook deadline	May 20	Order forms are enclosed with this letter. Contact Mrs. Sorrell with questions.
