2026-2027 Yearbook Order Form

The 2026-2027 yearbook theme is “What Makes Us.” The Theme presents the idea of how unique Antwerp's community is and showcases our strong connections to one another.

The yearbook includes grades PK-12. Although there will be an emphasis on older students due to sports and organizations exclusively for middle and high school, elementary coverage will be integrated throughout the entire book. Academics, sports, organizations, and student life will feature students from elementary through high school.

The Archer yearbook is produced entirely by the student yearbook staff. The yearbook staff takes the photos, determines the content, creates the layouts, develops the theme, edits all of the pages, and manages the financial responsibilities of producing the yearbook. The Archer staff does not use a yearbook company, and therefore is responsible for every aspect of the yearbook.

Yearbook Sponsorship Program - We know that not every student can afford to purchase the yearbook. If you want to help pay for yearbooks for students who can’t afford a book, consider donating to our yearbook sponsorship program. You can purchase a whole book or donate as little as $10.
